

## CONTENTS

|  |    |
|--|----|
| <b>Presentation of CSIC activities</b>   |    |
| <i>J. Pérez-Sánchez</i> .....  | 9  |
| <b>Developing feeds with very low levels of fish meal and fish oil: Issues and efforts made as part of ARRAINA</b> |    |
| <i>S. Kaushik</i> .....  | 11 |
| <b>Rainbow trout: long term feeding with low FM and FO feeds including broodstock</b>                              |    |
| <i>G. Corraze</i> .....  | 13 |
| <b>Sea bass: impacts of low FM and FO feeds on health and growth performance</b>                                   |    |
| <i>M. Izquierdo, S. Torrecillas</i> .....  | 17 |
| <b>Sea bream: Impacts of low FM and FO feeds on health, growth performance, and sex population ratio</b>           |    |
| <i>J. Pérez-Sánchez</i> .....  | 21 |
| <b>Larval nutrition and programming in marine fish</b>   |    |
| <i>M. Izquierdo</i> .....  | 25 |
| <b>Impact of parasite infections in Sea bream and Sea bass. The PARAFISHCONTROL approach</b>                       |    |
| <i>A. Sijà-Bobadilla</i> .....   | 29 |
| <b>Nutritionally-mediated effects on bacteria and parasite infections in gilthead Sea bream</b>                    |    |
| <i>I. Estensoro &amp; M.C. Piazzon</i> .....   | 33 |
| <b>Models and tools for measuring environmental impacts</b>  |    |
| <i>L.E.C. Conceição</i> .....  | 37 |
| <b>Biomarkers for fish nutrition related issues</b>  |    |
| <i>J. Pérez-Sánchez</i> .....  | 41 |
| <b>Predicting fatty acid profiles of fish fed different fat sources</b>  |    |
| <i>J. Caldach-Giner</i> , .....  | 45 |

|  |           |
|--|-----------|
| <b>Occurrence and potential transfer of "classical" &amp; "new" organic contaminants by use of plant-based aquafeeds</b> |           |
| <i>J. Nacher-Mestre.....</i>   | <i>49</i> |
| <b>Sharing EU aquaculture research facilities (AQUAEXCEL &amp; AQUAEXCEL2020)</b>  |           |
| <i>A. Sijà-Bobadilla &amp; J.A. Caldach-Giner .....</i>  | <i>53</i> |
| <b>Sea bream genetic improvement. Nutrient X genotype interactions</b>   |           |
| <i>J.M. Afonso López.....</i>  | <i>57</i> |
